

For 70 years, the Alaska Hospital & Healthcare Association (AHHA) has served as a non-profit trade association representing Alaska's hospitals, nursing homes, and other healthcare partners across the continuum of care.

AHHA provides policy and advocacy expertise, leads and hosts opportunities for education and training, and brings together members and stakeholders for collaborative work to share data, resources, and best practices.

Our mission is to advance the shared interests of Alaska healthcare to build an innovative, sustainable system for all Alaskans.

We welcome mid-to-large size Assisted Living facilities (> 40 beds) as association members. Annual dues are calculated per facility at a rate of \$45/bed.

Contact AHHA with any questions or to discuss application for membership:
