ALASKA HOSPITAL & HEALTHCARE ASSOCIATION

Are you looking to make meaningful connections with Alaska's hospital and health system leaders?

The Alaska Hospital & Healthcare Association (AHHA) welcomes partners whose purpose and objectives align with our vision and mission. We offer a range of associate membership and event sponsor options to help build connections and visibility with leaders across Alaska's healthcare landscape.

Who We Are

For over 70 years, the Alaska Hospital & Healthcare Association (AHHA) has served as a non-profit trade association representing and supporting Alaska's hospitals, nursing homes, and a growing number of healthcare partners across the continuum of care.

Our mission is to advance the shared interests of Alaska healthcare to build an innovative, sustainable system of care for all Alaskans.

What We Do

AHHA provides services across three core functions:

- **Advocacy** - AHHA champions the interests of its members to ensure we have a strong voice in policy discussions that impact healthcare.
- **Collaboration & Training** - AHHA brings together members, community partners, and other stakeholders to share data, engage in learning and training opportunities, and collaborate on initiatives to improve care.
- **Resources** - AHHA distributes funding, commissions research, and curates resources on vital topics impacting healthcare delivery, safety, and quality.
