ABOUT THE PRESENTER - Patrice Burgess, MD, is a family medicine physician with over 30 years of experience.

A former Chief Medical Officer and Medical Director of Health Informatics for Saint Alphonsus Health System, she held prominent leadership roles during the COVID-19 pandemic, including chairing the Governor's Coronavirus Vaccine Advisory Committee.

Dr. Burgess holds degrees from the University of Idaho and completed medical school at the University of Washington through WWAMI. Her career includes military service with the Army National Guard and U.S. Air Force, where she chaired the Family Medicine Department at Luke Air Force Base. She has served in private, academic, and multispecialty practices.

An active leader in organized medicine, Dr. Burgess is a past President of the Idaho Medical Association and current delegate to the American Medical Association, where she serves as Chair-Elect of the Council on Medical Service.
