

## WORLD CLASS HEALTH CARE FOR ALL ALASKANS

The Alaska Hospital & Healthcare Association (AHHA) represents more than 65 hospitals, skilled nursing facilities, home health agencies, and other health care organizations.

Our membership is distributed across Alaska's vast expanse of over half a million square miles, from PeaceHealth Ketchikan Medical Center in Southeast Alaska to Samuel Simmonds Memorial Hospital in Utqiagvik, north of the Arctic Circle.

Our diverse association unites every small rural hospital, nursing home, and large hospital system in the state around common goals. For almost 70 years, AHHA members have worked together to improve health care in Alaska.

We welcome Associate Members - physician groups, clinics, health care consultants, insurance companies, or other businesses that support the health care industry - whose purpose and objectives align with AHHA's vision and mission.
