

For 70 years, the Alaska Hospital & Healthcare Association (AHHA) has served as a non-profit trade association representing Alaska's hospitals, nursing homes, and other healthcare partners across the continuum of care.

AHHA members play an invaluable role, both as community providers and essential employers, in cities, towns, and villages across Alaska.

We welcome partners whose purpose and objectives align with AHHA's vision and mission to join us as associate members. A range of options provides opportunities to build connections and visibility with top leadership in the Alaska healthcare landscape.

Contact AHHA to discuss opportunities for engagement:

AHHA does not endorse or recommend associate member organizations, nor do we enter into exclusive partnerships with any vendors or service providers who hold associate membership. To become an associate member, organizations must submit an application for membership. Membership dues are prorated, based on the date of approval; annual membership renewals are issued in early December and due by January 15.
